

Changing tables

Stylish and elegant partitioning.

SAFELY TESTED

that's us!

Maximum safety and stability and the use of unbreakable materials are the basic characteristics of our changing tables for kindergartens and childcare facilities. They are subject to the strict testing criteria of the TÜV. In this way, we can guarantee the safety of our products with confidence.

RICH IN EXPERIENCES

that's us!

Playful elements are a natural part of children's everyday lives. Only in this way can little people learn and develop. With our child-friendly changing tables, even the youngest children get to know the everyday acts of personal hygiene in a playful way. Every trip to the changing station thus becomes a real highlight with learning character and joy of discovery!

HYGIENIC

that's us!

The surface texture of the materials used makes it possible to keep our changing tables and sanitary products hygienically clean. Cleaning agents with disinfecting properties can be used without hesitation and additionally prevent the spread of dirt and germs. For all-round hygienic and clean sanitary rooms.

EASY-CARE

that's us!

Thanks to the easy maintenance and ease of cleaning, our changing tables are the perfect companions in everyday kindergarten life. Due to the material composition, the cleaning of the surfaces can be done quickly and efficiently. The maintenance-free and durable construction speaks for "Made in Germany".

BEFORE WE
EXPECT TRUST FROM
OUR CUSTOMERS,
WE PROVIDE EVIDENCE
that's us!

ENVIRONMENT & SUSTAINABILITY *that's us!*

Sustainable management and careful use of resources are a matter of course for us and part of our corporate philosophy. This basic idea is consistently integrated and lived in our work processes. We are proud to be the first certified manufacturer of partition systems and lockers in Germany to operate according to the FSC™ and PEFC guidelines.

PEFC - registered

We pay attention to a sustainable supply chain in which our products are procured under ecological, economic and socially just aspects.

FSC™ - certified

As the first certified manufacturer in the area of partition systems and lockers in Germany, we make an active contribution to the protection of our earth with this future-oriented procurement method. We supply almost our entire range from sustainable wood in accordance with the specifications of the FSC™.

*On request
the products are
available with
FSC™ certification*

TÜV NORD TESTED SAFETY *that's us!*

Type-tested and certified by TÜV NORD:
Our changing tables with base cabinet and stairs for the kindergarten area
Registration no. 44 78014148801.

MADE IN GERMANY *that's us!*

Our products are manufactured for you at the company site in Horhausen, Rhineland-Palatinate. This is the only way we can guarantee the high quality standards we set for our products.

PREQUALIFIED *that's us!*

We are registered in the list of prequalified construction companies with the number 010.049740, proving that we are qualified for the products and services we offer.

INNOVATIVE & DESIGN-ORIENTED *that's us!*

With our design-oriented and innovative products, we convince not only our customers, but also national and international committees.
